

# ANKITA KULKARNI

SAP MM Consultant

Nashik, India | 9172266048 | [kulkarni2ankita@gmail.com](mailto:kulkarni2ankita@gmail.com) | [linkedin.com/in/ankita-ajit-kulkarni/](https://linkedin.com/in/ankita-ajit-kulkarni/)

## OBJECTIVE

I am an accomplished Application Development Associate at Accenture, specializing in SAP MM. With a robust foundation in software development and a sincere dedication to SAP MM, I am adept at devising innovative solutions, refining data systems, and crafting intuitive user interfaces.

## SKILLS & ABILITIES

- **Languages:** Python, SQL, C/C++
- **Frameworks:** Pandas, NumPy, Scikit-Learn, Matplotlib
- **Tools:** SAP Logon, Tableau, MySQL, PowerPoint
- **Platforms:** Jupyter Notebook, GitHub

## WORK EXPERIENCE

- Accenture | Packaged Application Developer Associate** Nov 2023 - Present
- SAP MM
- Conocedor Productions | Web Development Intern | [LINK](#)** Feb 2022 – Apr 2022
- Developing a college website by ensuring responsive design, clear navigation, an engaging home page, showcasing academic programs, and highlighting student life using the WordPress tool.
- Chef Junction Pvt. Ltd | Web Development Intern | [LINK](#)** Jul 2021 – Aug 2021
- Developed an engaging website for Chef Junction, enabling app downloads and registration for home chefs.

## PROJECTS

- Dashboard and Story Visualization in Tableau | [VIDEO LINK](#)** Jul 2023 – Aug 2023
- In Tableau, the data was visualized using different graphs such as bar graphs, pie charts, geographical graphs, etc., and numerical methods
- Recommendation-Based Based Affiliate Marketing Mobile Application** Jul 2021 – Aug 2021
- We developed an application called "Recommdy" to connect publishers with affiliate marketers and viewers with users.
  - To gain an audience, affiliate marketers rely on their personal contacts and usual followers.
- Human Face Recognition** Mar 2023 – Apr 2023
- Face recognition identifies an already detected object as a known or unknown face.
  - Face Recognition on the other hand is to determine if the "face" is someone known, or unknown, using a database of faces to validate this input face.

## EDUCATION

- Savitribai Phule Pune University** 2019 – 2023
- Bachelor of Computer Engineering - 9.31 CGPA
